INSTRUCTION MANUAL

CL6205 / CL6210

Wool

Inox Wool for Compact Stations, Stands & Manual Tip Cleaner

Ref. CL6205

- Provides a stronger cleaning method than brass wool.
- Inox particles don't spread easily.

Brass Wool for Compact Stations, Stands & Manual Tip Cleaner

Ref. CL6210

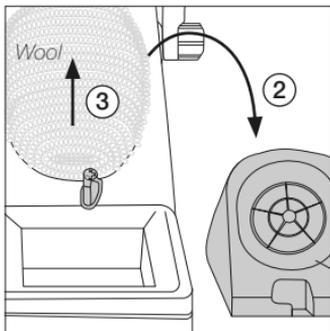

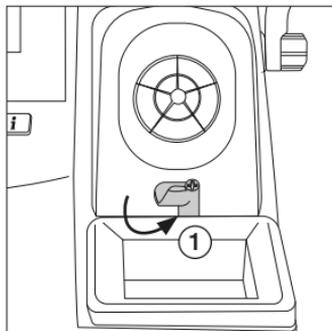

- Provides a very effective cleaning method.
- It leaves a small layer of solder on the tip to prevent oxidation between cleaning and rewetting.
