

HPTE3CSA High-Precision Tweezers With ESD Epoxy Coating and Pointed Tip

Designed for applications that require holding small components firmly while **granting good visibility**

The Type 3C High-Precision Tweezers feature straight, fine and pointed tips with a superior finish to ensure precision during delicate work.

They feature an overall length of 110 mm / 4.33 in, with a shorter body that offers a **firmer grip and greater practicality**
